Spring Ailments.

There is an aching and tired feeling, the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything, and a feeling that the whole body and mind need toning up. The trouble is that during winter there has been an accumulation of waste matter in the system. Herbine will remove, secure to the secretions a right exit, and by its tonic effect fully restore the wasted tissues and give strength in place of weakness. 50c at J. P. Byron & Son.

Trustees Meet.

The Village Trustees met Monday evening and transacted business of a general nature. The bond of the Luna county Telephone Co. was cancelled and ordered returned as the company has fulfilled its contract for which the bond was given. The request of the Silver City company for a franchise to build into our town was tabled. The Marshal was instructed to enforce the law prohibiting the dumping of trash in the streets and also the dog law and persons who do not want their dogs killed should pay the tax on them at once.

The X-Rays

Recent experiments, by practical tests and examination with the aid of the X-Rays, establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of indigestion and dyspepsia and prevent or cure Catarrh of the Stomach. Kodol digests what you eat makes your stomach sweet. Sold by J. P. BYRON & SON.

Faywood Items.

Faywood, N. M. June 1, 1903. Special to Graphic: Will pen few lines from this part of the footstool.

W. M. Taylor and son Joseph went to Deming today on business.

Mr. J. R. Benson of Sonora Tex. is visiting his daughter, Mrs. W. M. Taylor. He is well pleased with the country and may decide to locate with us.

Our Justice of the Peace, Mr. Oscar C. Taylor was united in marriage to Miss Ella Hiler, daughter of ex-sheriff W. N. Hiler of Sterling county, Texas, on May 30th and henceforth will work in double harness. The tin can brigade paid them their compliments as usual.

The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by J. P. BYRON & SON.

Cures When Doctors Fail.

Mrs. Frank Chalmers, Patterson, La., writes June 8th, 1901: "I had malaria fever in a very bad form, was under treatment of doctors, but as soon as I stopped taking their medicine the fever would return. I used a sample bottle of Herbine, found it helped me. Then I bought two bottles, which completely cured me. I feel grateful to you for furnishing such a splendid medicine, and can honestly recommend it to those suffering from malaria, as it will surely cure them." Herbine 50c bottle at J. P. Byron and Son.

SCHOOL CLOSURES.

Exhibition of Scholars' Work at School House, Friday Afternoon and Entertainment at the Opera House in the evening.

Last Friday closed the year for the Deming schools. An exhibition of scholars work was given in the assembly hall of the school house in the afternoon which was examined by a large number of the patrons of the schools. The work of the scholars in all departments of the school was excellent and would make a good exhibit for the territorial fair this fall if the teachers and school board see fit to take it there.

In the evening an entertainment was given at the opera house for the benefit of the school library. This was a great success and the house was crowded, from this fact we judge the amount realized was quite large. The scholars all acted their parts in excellent style and were freely encored. Special mention should be made of the motion song and dumb bell drill by the native children which has created much favorable comment on all quarters. The excellent music furnished by Miss Ione Hodgdon and the Mandolin Club added materially to the evenings entertainment.
